Personal Mentoring with Shammi Sir

Zoom sessions, with India's leading Faculty Shammi Saluja Sir , will serve as a base to ace the exam, with flying colours, as all the doubts will be taken care of timely, and a customised study plan will eventually accelerate the success rate in the exams, in the very first attempt itself. Personal Mentoring sessions will increase the passing of every module of the exam to a manifold extent.

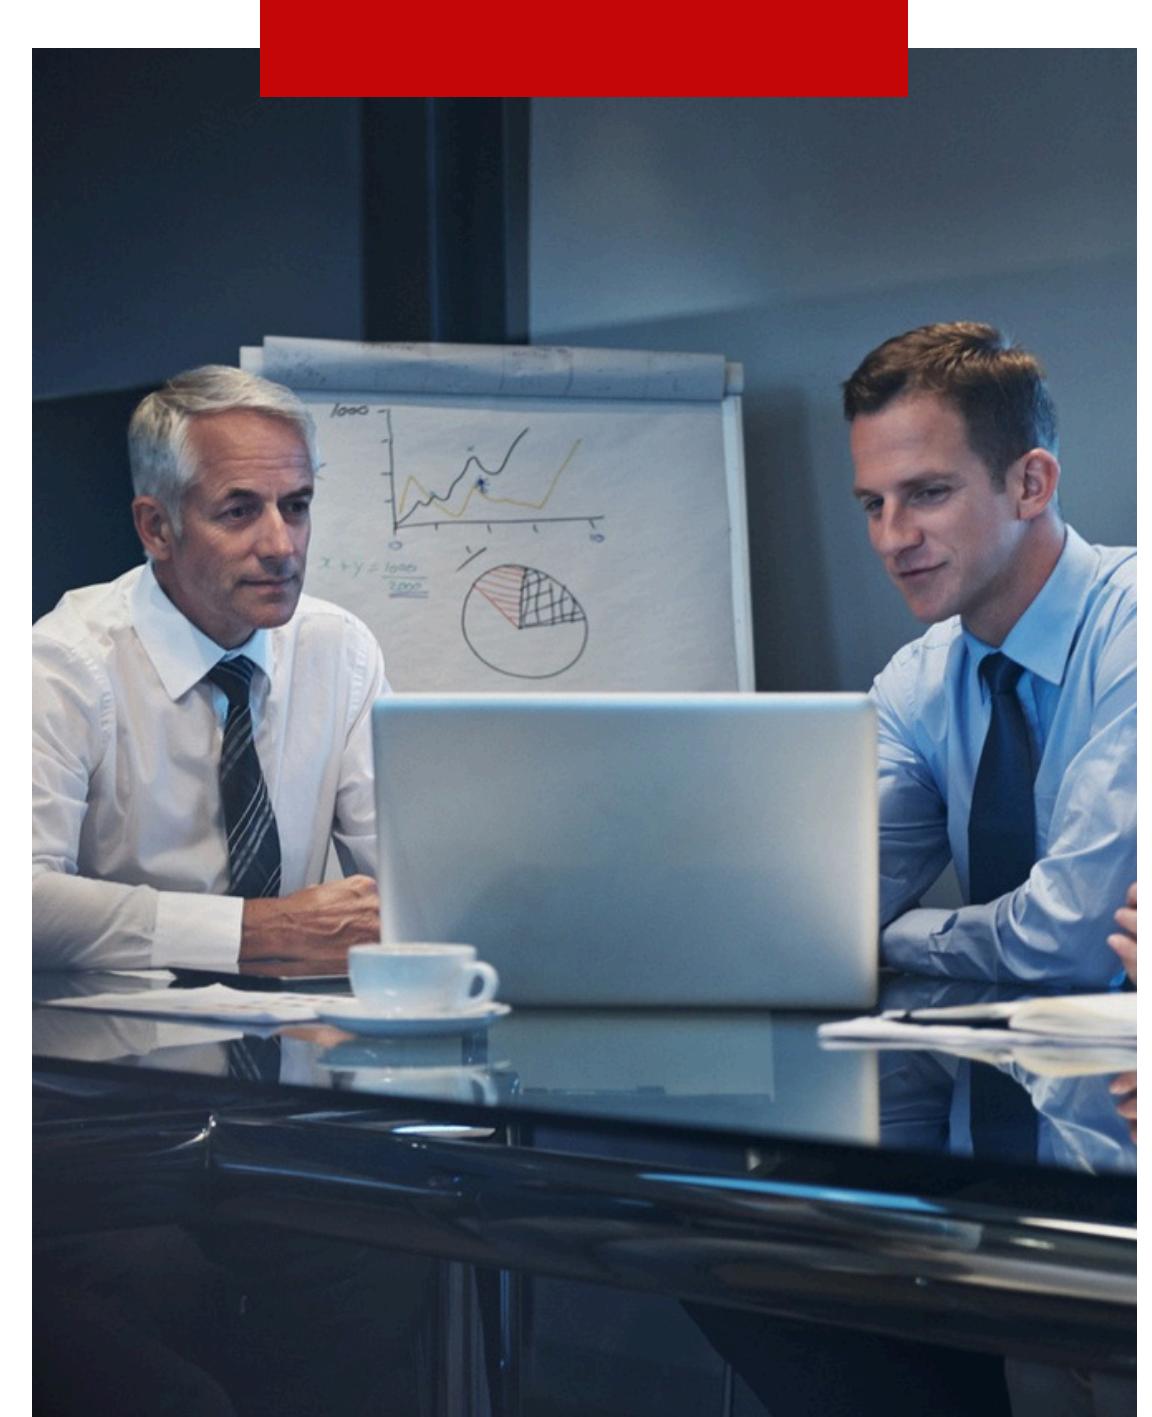

The best bank of CPA Exam questions

To pass the exam, you need to get comfortable answering questions quickly. We have thousands so that you can practice every topic until you're proficient, and every single question comes with explanations for every answer choice. You can confirm your reasoning was correct or figure out where you went wrong without having to reference the material.

Always up-to-date digital books

Authored by accounting experts, our books are broken down into bite-sized lessons to help you learn stress-free. We promise 100% exam content coverage, and our online material will automatically reflect our latest updates.

DIRECT ACCESS TO SIMS BY TOPIC

A screenshot of a CPA Exam simulation interface. On the left, there is a table with two columns, A and B. Column A contains transaction descriptions, and column B contains the word "Recording". A dropdown menu is open over the word "Recording" in row 2, listing various accounting topics with radio buttons. At the bottom of the interface, there are navigation arrows, a "SHOW SOLUTION" button, and a red decorative bar.

SHOW SOLUTION

Task-Based Simulations evaluate you at a higher level than Multiple-Choice Questions, and they're where CPA Exam candidates say they struggle most often. Our adaptive system already recommends and builds Sim quizzes based on your performance, but for the first time, Premium Pro now lets you drill from our Sim bank by topic.
